

# Concepting- Photography Part 2

## Assignment

Again, go look for inspiration (band photography, portrait photography, glamour photography). Look at the work of famous photographers on the subject. Choose a model, location, background, exposure and maybe props that will attribute to the ambiance that suits your artist/band.

After reading the includes pdf I took great inspirations of these images:

After listening to the lesson and adjusting the camera to a dark room, me and 2 other friends took our phones and used the flashlight to take some pictures.
